

2020

# WEST FARM GUIDE TO LUMINARY NIGHT

## IMPORTANT DATES AND INFORMATION

### December 9-13 Pick up supplies at the pool cabana.

-Sand will be delivered to the common area below the pool. Each luminary bag will need about 2 cups of sand. Bring a bucket to the common area to pick up the sand needed for your bags and any extras you plan to make at home. The paper bags and candles will be in waterproof tubs under the cabana area.

-Please take as many as you need in order to place a luminary bag every 10 feet on the street that runs along your property line.

-If you know you will be out of town, please coordinate with a neighbor to help with your property line. We want all of West Farm lined with lights! If you need help with this, email [kimbcabe@gmail.com](mailto:kimbcabe@gmail.com)

### Sunday, Dec 13th- West Farm's 2nd Annual Luminary Night, 5:30pm

-Begin placing your luminary bags anytime Sunday afternoon. Please begin lighting your luminaries at **5pm**. \*long neck grill lighters work best!\*

-Please extinguish your candles by **9pm**.

-Bags should be picked up and disposed of by Monday morning. **DO NOT throw sand in the trash.** Return it to the common area OR \***BONUS**- spread the sand in your yard to help level any low spots, and as a much more eco-friendly way to dispose of it\*

\***BONUS #2**- save your luminary bags to line your driveway on Christmas Eve to light the way for Santa!\*

## VOLUNTEER OPPORTUNITIES

### Sunday, December 13

#### 2pm:

-Meet at the pool to help make extra bags for the entrance and common areas. Kids are welcome to help too!!!

#### 5 pm:

-Help light entrance and common area luminaries.
