Getting Involved 2021:

Time to start the year off right and get involved with the HOA Board or a Neighborhood Committee. We are currently accepting requests for volunteers to help on most of our committees. Board member applications were accepted through Jan. 4th and will be discussed at the Annual HOA Meeting. We hope you will consider getting more involved in the neighborhood!

We would like to thank all our 2020 Committee chairs and members! Without your hard work to plan events, execute communication and recruit volunteers we would not be where we are today as a Neighborhood.

2020 Committee Chairs: **Becky Herzog** (Welcome/outreach), **Kim Cabe** (Social), **Kimberly Broadway** (Adopt-A-Hwy: subcommittee of social)

Detailed here is more information about our Board openings and committee volunteer openings:

To submit your request to volunteer for a committee, email CMG at support@mycmg.com.

A look back at a successful and fun 2020 in West Farm!

Year 2020 wasn't at all what most of us were expecting when we welcomed in the new year, but we found ways in West Farm to make the best of the year and grow as a neighborhood. Let's take a look back at some of the fun, social distancing activities and volunteering that took place!

We also want to give a special thanks to the committees and volunteers that helped to plan, recruit support and execute these activities!

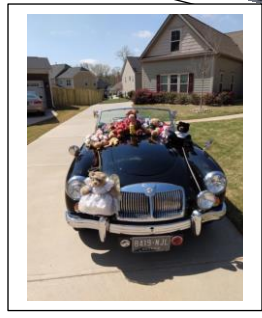

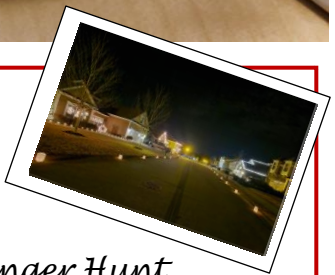

"Luminary Night is by far my favorite West Farm event! It is wonderful to see the neighborhood come together to fill our streets with light. Seeing all the streets lined with luminaries and the houses so beautifully decorated...I think it brings a little Christmas magic. And, for one night, in the midst of a hectic holiday season, it is nice to just slow down and simply walk around the neighborhood and see so many families out doing the same."

West Farm Gives Back

West Farm has a really big Heart! And it shows each and every time there is a need in our community.

A huge thank you to all the neighbors who participated in the holiday drive! The call to action was met with overwhelming generosity.

West Farm donations made a significant difference for families this holiday season. All the food donations went to CCS of Simpsonville. Most of the coats were donated to James Monroe Mission House in Fountain Inn. Most of the children's clothing up to 5t went to the local foster supply closet affiliated with Presbyterian Fellowship of Fountain Inn. And all other clothes, toys, shoes and miscellaneous items were donated to Iglesia Maná church in Fountain Inn serving the Hispanic population.

West Farm donations have made a substantial impact on our community. Thank you for giving back!!

*Please feel free to email KristenLRBell@outlook.com or reach out to one of these community resources if you have additional donations. All have expressed need for on-going support as they have reach those less fortunate in our community.

HOA President's Closing Remarks:

"Just smiling at someone walking down the street can make a person's day."
- Mariska Hargitay

We never know the impact that we can have on others. During times as divisive as this, our actions have the ability to show love, peace and encouragement. The support we show our neighbors help make West Farm into the great family that it is.

Best wishes for a Happy and Healthy 2021!
