What a great turnout we had for West Farm's Annual Independence Day Parade!

There were lots of great decorated rides for the parade, free snowballs for all that attended and some splash-around fun when the fire truck turned on the water hose!

Thanks to all who helped make the event a great success & the Social Committee for planning the event!

Summer Has Arrived ...

The weather is warming up and the pool is refreshing and inviting! We hope that all the neighbors take time out of their busy schedules to relax and socialize around the pool this summer. We have a great committee of volunteers and a professional service that helps make sure the community pool is clean, safe and ready for use. We would like to welcome and thank our neighbor, Jeff Jenkins for volunteering as the Pool Committee Chair, along with all of the pool committee members.

Pool Reminders:

The pool does not have a lifeguard, so swim at your own risk.

No glass inside the fence around the pool.

No pets are allowed in the pool area or pool house.

Members are responsible for their guests at the pool.

Need to Know:

West Farm Adopt-A-Highway clean up for Quarter 3 of 2021 will take place on August 21st. Mark your calendars to join us for a few hours to help make our streets clean!

Important Notes from the HOA Board

By this time, most neighbors have heard that Heath Haywood, HOA President, resigned from his position on the HOA Board effective June 15, 2021. Most importantly we want to THANK him for all the dedication, sweat and thankless work that went into being a board founder and leader to his fellow HOA Board, Committee Chairs and all neighbors throughout the years.

We also would like to thank Lateefah Little, Treasurer, for her dedication to the HOA. Much thanks is extended to her for the oversight to the West Farm budget, for contributions to the HOA Board and all neighbors that are part of our great community. Her service is appreciated, and she will be missed as part of the Board.

We want to assure all the neighbors that the remaining Board members are committed to work just as hard as ever to ensure that West Farm remains a wonderful place to live. We will operate as a 3-member board until the election in January 2022. Please see listing below of the current board members and their newly appointed roles.

If you have considered being part of the Board for West Farm or would be interested in learning more about the opportunity to volunteer, please contact support@mycmg.com with the subject line "West Farm Volunteer".

Greetings all,

A few years ago, a small group of us, Shayne Uhr, Betty Thompson, and myself formed the original transition board for West Farm. I am proud to say that during my time serving West Farm, I have gotten to see many changes. Some changes for the better, some not so much. I have been blessed to meet many great neighbors whom I would gladly consider to be friends. All of this while serving in a role where there is constant negativity and complaints being addressed to me.

When I first agreed to serve, I told my wife that the day I felt I had nothing left to give, I would walk away. I feel that day has come. I will be resigning as Board President, effective immediately.

I want to thank those in the "silent majority" who have always supported the Board and myself, even if they did not agree with our actions. I would urge all members to remember that being on the Board is a thankless and stressful position, with no benefit whatsoever.

I look forward to days where I no longer dread getting phone calls or emails because of complaints. Or being able to take my kids to the pool without having to discuss HOA matters with someone.

To the remaining Board members, I wish you the best of luck in moving forward. I have no doubts in your abilities to lead our Association.

Respectfully,

Heath D Haywood

West Farm Gives Back

#wfgivesback

Our neighbors are such a blessing to each other and even more to the Fountain Inn community! What started as a need to help local food pantry has grown into **#wfgivesback** as many neighbors have stepped up and begun providing all sorts of needs when they are made known to our neighborhood. From food drives to clothing drives to household necessities, there is always caring neighbors that step up and give back.

In the month of June, our community learned of a need for paper products, **toilet tissue, paper towels, diapers**, etc., and West Farm met that need with countless items being donated to one of our partner community agencies, **Iglesia Mana**.

Thank you again for your generosity and in advance for support of future opportunities to give back.
