## Volunteer Opportunity

West Farm HOA is committed to doing our part to keep Fountain Inn beautiful by participating in Adopt-A-Highway clean up once per calendar quarter.

We have adopted the one mile stretch of road on Howard Drive from Bryson intersection to Main Street intersection.

Join us for the next clean-up day!

Saturday, May 14<sup>th</sup>  
at 8:00am

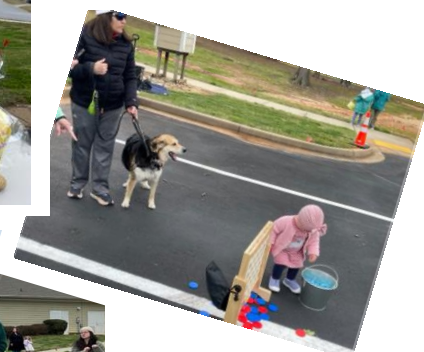

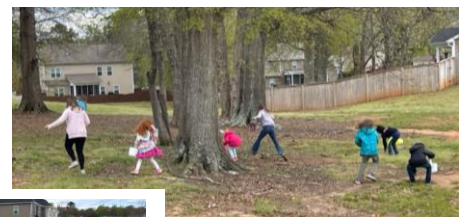

## Spring has Sprung in West Farm!

Our neighborhood is springing to life! Fresh mulch and pine needles, flowers starting to bloom, songbirds singing their tunes ...

We hope you take some time to get outside and start enjoying all our neighborhood has to offer. Chat with some neighbors, meet new pets that are out for daily walks, lend a hand with one of the volunteer opportunities offered or head down to the common area for a refreshing dip in the pool.

We also held our first community social event in early April, a picnic and Easter Egg Hunt event. Thank you to all the neighbors who generously donated candy for the eggs and for all the families who braved the wind and chill to come out and socialize.

## Committee Updates

### Outreach Committee

Did you know we have a group of volunteers that will welcome new neighbors, support families with losses and welcome new babies to West Farm families?

Let us know if we can help you. We have welcomed 3 new families to WF so far in year 2022 and we have 2 new neighbors coming soon.

### ARC Committee

Changes to the submission process has recently been announced. Please check the West Farm HOA website or your email box for the announcement.

Please note, it is free to submit an Architectural Request to the ARC Committee and it is required for any exterior house modification or permanent structure changes or additions (fence, storage building, playground, concrete patio or driveway, etc.).

### Pool Committee

Pool will be opening on **May 21<sup>st</sup>**!

### Social Committee

Next event is the **Community Yard Sale on May 7<sup>th</sup>** from 8:00am – 12:00 noon.

Donations left at end of driveway will be picked up after 12:00 noon for donation to local non-profit organization(s).

Donations are welcome by all neighbors, even if you didn't participate in the yard sale event.

### Landscape Committee

Your WF landscaping committee has been busy! Fresh mulch and pine straw has been spread around the common areas and roundabouts. We have hired a new lawn care service to help keep WF grounds beautiful.

And we are working on new projects to care for drainage issues in green space near pool parking, replacing dead shrubbery, and identifying other ways to improve the appearance of our roundabouts.

## Food Truck Fun

## Question & Answer Corner

*Q: Are there requirements in the neighborhood for storage of trash bins?*

*A: Yes, our covenants require that trash bins be stored out of sight from the main neighborhood roads (either inside a garage, on side of home behind cover, or in the back of home where not visible). They also should be taken to the curb and removed from the curb timely following trash pickup on Mondays.*

What is more fun than creating outdoor games and activities for kids of all ages? That is right, nothing could be more fun... So here are some ideas to have *FUN* with *SIDEWALK CHALK!*

1. Create a target by drawing it with chalk. Then use a wet sponge to toss into the target trying to collect the most points after 4 tosses.
2. Write an up-lifting message for those who walk by your house or common area.
3. Create a driving course for toys with wheels.
4. Draw something that acts as a photo backdrop then have your picture taken.
5. Let your imagination run wild ... sidewalk chalk can make all sorts of fun games and drawings. What is your idea?
